

# ANEURYSMS AND DISSECTIONS

**November 2, 2024**

Health Sciences Learning Center  
Madison, Wisconsin

**University of Wisconsin Department of Surgery  
Aortic Symposium 2024  
November 2, 2024  
Health Science Learning Center • Madison, Wisconsin**

Exhibit space is limited

**About the Conference**

This course provides education on acute and chronic aortic conditions to physicians and APPs who might encounter patients with these conditions in their practice but may not have sufficient familiarity with their management. The course will have two sessions – morning and afternoon. The morning session will focus on the fundamentals of aortic aneurysms and chronic aortic disease and will be targeted to PCPs, cardiologists and APPs. The afternoon session will focus on aortic dissection and other acute aortic syndromes, which will be more relevant to ER physicians and APPs. Both sessions will address surgical principles with presentations by vascular and cardiothoracic surgeons. See our exhibitor [application!!](#)

Exhibitor fees due: October 31, 2024

**In Person Exhibit Package: \$2,000**
